

Sebastian Ruiz

Head of Sales | Bilingual (EN/ES) Sales & Business Development Leader | LATAM | AI-Driven Operations

sebastianrmconsulting@gmail.com | +57 350 205 3147 | linkedin.com/in/juansruiz11 | Colombia (Remote)

SUMMARY

Bilingual (English/Spanish) sales and business development leader with 7+ years scaling revenue across US and LATAM markets. Generated \$760K-\$950K+ in placement revenue and grew customer base 200% as Head of Sales at Thankz Global Staffing, then used agentic AI workflows to compress an 8-person SDR operation into a lean 2-person team running at 75% higher efficiency, and expanded operations into 14 countries. Brokered \$70.6M+ in international medical supply sales and advised on Colombian government contracting and trade agreements (Mercosur, EU). Hands-on AI operator: deploys AI-driven prospecting stacks and builds AI agents, automations, and internal tools.

CORE COMPETENCIES

Revenue Growth Strategy | AI-Driven Team Efficiency (8 to 2 SDRs) | Outbound & Pipeline Development | International Trade & Government Contracting | AI-Driven Sales Operations | CRM (HubSpot, Apollo, ZoomInfo) | LinkedIn Social Selling | Cross-Cultural Negotiation (EN/ES)

EXPERIENCE

Head of Sales | Thankz Global Staffing, Los Angeles (Remote from LATAM)

Mar 2021 - Present

- Generated \$760K-\$950K+ in placement revenue, growing the customer base 200% through 30+ specialized AI and finance talent placements.
- Managed end-to-end SDR operations and training, introducing agentic AI workflows that drove a 75% increase in operational efficiency, enabling a lean 2-person team to handle the output of a traditional 8-person SDR org.
- Spearheaded expansion into 14 countries, establishing new operations and client bases.
- Deployed an AI-driven sales stack (Jasper, Apollo, Reply.io) alongside HubSpot, Tracker RMS, ZoomInfo, and Waalaxy, scaling outbound efficiency.
- Built LinkedIn into the company's #1 new-business channel through organic authority and outbound strategy.

Founder & Airbnb Coach (Part-Time) | 77Rentals, Colombia

2022 - Present

- Built AI-powered hosting management software and a guest-experience platform from the ground up.
- Operate 3 short-term rental properties; coach new Airbnb hosts through a course and guide software.
- Design and deploy AI agents and automation workflows for guest communication, operations, and reporting.

Global Trade Consultant | SM Consulting, Bogotá, Colombia

Apr 2020 - Dec 2023

- Brokered and facilitated \$70.6M+ in medical supply sales (3M masks, surgical gloves) during the global PPE shortage, connecting Chinese and Korean manufacturers with buyers in Colombia, the US, and Qatar.
- Advised startups on business development, client acquisition, Colombian government contracting, and US market entry.
- Built a global supplier and buyer network across China, USA, and India through cold outreach, email, and LinkedIn.

Sales Manager | Virtual Emily, Miami, FL

Oct 2020 - Mar 2021

- Drove sales growth across 5 business lines in the US market.
- Built a robust pipeline in HubSpot CRM via multi-channel outbound (cold calling, email, LinkedIn).
- Ran client meetings end to end, converting prospects into new business wins.

Operations Manager | Hunter Logistix, Miami, FL

Jan 2019 - May 2020

- Coordinated dispatch operations across multiple US states for owner-operators, working closely with US DOTs to keep freight moving through COVID-19 lockdowns.
- Generated ROI reports and route analytics to optimize logistics strategy.
- Attracted new B2B clients through HubSpot CRM-driven prospecting.

Logistics Manager | Xstrategy Logistics, Tampa, FL

Jan 2019 - Nov 2019

- Executed a high-profile Silicon Valley mission with the Medellín Chamber of Commerce, bringing presidents and HR VPs of Colombia's largest companies to Google, Meta, Amazon, and LinkedIn (65 executives).
- Authored investor reports on Colombian economic policy, law, and commercial agreements.
- Analyzed trade agreements between Colombia, Mercosur countries, and the EU.

Business Development | Vitae Spiritz, Shanghai, China

May 2018 - Sep 2018

- Represented Colombian brands at trade events and industry association meetings across China.
- Built digital presence on Taobao and WeChat for the Chinese market.
- Developed targeted marketing and sales strategies for multiple brands entering China.

EDUCATION

MBA (On Pause), Indiana Tech, Fort Wayne, Indiana, expected 2028

Bachelor of Science in Entrepreneurship & International Business, Minor in Criminology, The University of Tampa, 2019, Honors Graduate
